

Pega Lead Business Architect

As a Lead Business Architect in a Pega Devops team at ASN Bank you will be responsible for designing, analyzing, and implementing strategic business processes using Pega software. At ASN Bank we use an Agile way of working, you will work closely with various departments and stakeholders to understand business needs and develop solutions. You know how to connect business requirements and Pega capabilities. We work together with our Pega System Architects to enhance efficiency, reduce costs, and optimize the customer experience.

What will you do?

You are proactive, eager to learn, creative and like working together. You know your way around complex environments and can make difficult decisions when necessary. You know how to inspire others and want to continue to improve yourself as a Pega professional within the organization. Additionally, you have:

- Higher education level, towards computer science.
- Multiple years' experience in design and implementation of PRPC-based solutions in a leadership role.
- You are Pega Certified Business Architect.
- 8+ years optimizing business processes in the context of Pega functionality.
- Good understanding of Agile, Design Thinking and Value Stream Mapping.
- Good communication skills in English.
- Financial domain knowledge.

Where will you work?

In this role, you will join one of our Customer Journey teams, a multidisciplinary team including business developers and IT engineers. Within an informal and open atmosphere, you will work to continuously enhance our business processes to ensure a compliant and effective customer experience.

What do we offer?

The salary for this position is between €70,000 and €95,000 gross annual fixed income (13th month and 8% holiday allowance included) and based on 40 hours per week. In addition, de Volksbank offers interesting and flexible fringe benefits:

- A 36-hour working week, flexibly divisible with, for example, 4x9;
- An individual choice budget, with which you choose when you receive your holiday allowance and thirteenth month;
- A good collective pension scheme;
- Working from home is quite normal with us;
- A personal training budget of 750 euro per year, in addition to the standard training opportunities;
- A budget of 900 euros every 5 years to furnish your home office;
- An NS Business Card and a reimbursement per km if you cycle to work;
- A bicycle plan to buy a bicycle cheaply;
- Partially paid voluntary work;
- A vitality program with workshops and coaching for your mental and physical health;
- A laptop and telephone.

About us

De Volksbank with its banking brands SNS, ASN Bank, BLG Wonen and RegioBank will continue under one name: ASN Bank. As such, we can respond more quickly to changes and build an agile and future-oriented bank. A bank that is accessible and committed to our customers and society.

Will you be our new colleague?
